

Rent Stabilization Board

Rent Ceiling Database Notice

If you have reason to believe that particular information in our database is incorrect, please complete a Rent Ceiling Correction Form. A short explanation of the "unit status" designations can be found at: Unit Status Designations. The "tenancy started" field contains the start date of the last tenancy reported to the Board since January 1, 1996; a blank entry in this field indicates that the current tenancy began before January 1, 1996.
